STRUCTURE, GOVERNANCE AND MANAGEMENT

How the charity is constituted

2nd Upminster (St. Laurence) Scout Group is a charity with its own Trustee Board operating within a Federation in which the lead charity is The Scout Association.

Charity registration

The Group is registered with the Charity Commission in England and Wales (charity number 303709).

Charity objectives

The Group is an educational charity whose primary object is to contribute to the development of young people in achieving their full potential as individuals, responsible citizens, and members of their local, national, and international communities. This is achieved by providing fun, adventure, and skills for life, and empowering young people to make a positive contribution to society.

Type of governing document

The Group's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

Trustee responsibilities

The Trustee Board has overall control of the charity and is responsible for making sure the Group is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules.

Trustee Board membership

The Group's Trustee Board is comprised of between 5 and 12 subject to a maximum number approved by the Scout Council at the AGM. These Trustees may be ex officio, appointed, or co-opted. An ex officio trustee is automatically a member of the Trustee Board because of their role in Scouts. At 2nd Upminster the Group Lead Volunteer is the only ex officio trustee.

Trustee Board appointments

The Chair, Treasurer and other appointed trustees are all elected at the Annual General Meeting (AGM) by the Scout Council, based on the outcome of an open selection process. Co-opted trustees may be appointed by the Board during the year to do a particular task, or to bring new skills to the mix.

Ex officio Trustees serve as a Trustee for as long as they hold the ex officio role. Appointed Trustees (including Chair and Treasurer) are appointed by the Scout Council at the AGM for an initial period of no longer than three years. Co-opted Trustees are appointed by the Trustee Board for an initial period of one year and are encouraged to move to being appointed Trustees at the next AGM. Trustees may only be a member of the Group's Trustee Board for a maximum of 9 years after which a break of three years is required.

Trustee selection methods

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

How the charity is managed

The Scout Association's Policy, Organisation, and Rules (POR) says the Trustee Board purpose is to focus on oversight and strategy and supporting achievement of the organisation's strategic goals.

Under the auspices of the Trustee Board, the Group Leadership Team helps volunteers across all sections to work well together and to feel motivated. They are tasked with a wide variety of responsibilities including support for the Group's sections in delivery of the programme, the development of volunteers and engagement with the community.

RISK MANAGEMENT

The Group Trustee Board has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Safeguarding incidents involving Scouting members.

This is mitigated by following The Scout Association's adult appointment process which includes carrying out DBS checks for those performing regulated activity; a national vetting process; and a clear system for reporting concerns. Volunteers are required to complete mandatory safeguarding training within the timeframes set out in the Policy, Organisation and Rules of The Scout Association. Training completion and renewal is monitored within the Group and by the District Trustee Board.

Risk to the health and safety of leaders, helpers, supporters and members.

This is mitigated through mandatory safety training for volunteers, which is monitored by the District Trustee Board through monthly reporting of completion and renewal data; adherence to the requirements of the adventurous activity permit scheme; and following the provisions of the Policy, Organisation and Rules of The Scout Association.

Related financial risks are mitigated through capitation fees contributed to The Scout Association's national accident insurance policy and other insurances arranged through Scout Insurance Services Limited. Risk Assessments are undertaken before all activities.

Damage to the buildings, property and equipment.

The Group has buildings and contents insurance in place to mitigate against these potential losses.

Reduced income

The Group is primarily reliant upon income from youth member subscriptions. The Group holds a reserve to ensure the continuity of activities should there be a major reduction in income. The Board could raise the value of subscriptions to increase the income to the Group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders

The Group is wholly reliant upon volunteers to run and administer the activities of the Group. If the number of volunteers reduced to an unacceptable level in a particular section or the Group, this would lead to a contraction, consolidation or closure of the affected section or in the worst case to the complete closure of the Group.

Reduction or loss of members

The Group provides activities for all young people aged four to 14. If the number of youth members in a particular section or the Group reduced to an unacceptable level, this would lead to a contraction, consolidation or closure of the affected section or in the worst case to the complete closure of the Group.

Internal Control

The Group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all bank payments and insurance policies to ensure insurable risks are covered.

OBJECTIVES AND ACTIVITIES

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

Our place in Scouting

2nd Upminster Scouts is a 'unit' of Scouting in the United Kingdom offering Scouting to boys and girls between the ages of four and 14. We have a sponsorship agreement with St. Laurence Church, Upminster and hold our usual weekly meetings in halls at the Church.

Our organisation

At 2nd Upminster we provide weekly Scouting activities for young people from age four to 14. Squirrel Scouts is for ages 4 to 6, Beaver Scouts is for ages 6 to 8, Cub Scouts for ages 8 to 10½ and Scouts for ages 10½ to 14. We currently operate six sections: one Squirrels Drey, two Beaver Colonies, one Cub Pack and two Scout Troops.

Charity Commission's public benefit criteria

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Achievements and performance

The Group Lead Volunteers' Report below describes the overall activities of the Group during the year. This is followed by a list of volunteers and section reports giving an insight into the main activities and achievements of the individual sections.

FINANCIAL REVIEW

Results

Overall receipts for the year exceeded payments by £2,561 and this surplus has been added to accumulated funds resulting in a carried forward balance at the end of the year of £15,651.

The main contributors to the result for the year were:

Receipts		
Membership subscriptions	£22,773	63.4%
Scouting activity charges	£5,696	15.9%
Gift Aid tax refund	£5,350	14.9%
Other	£2,110	5.9%
Total	£35,929	100.0%
Payments		
Membership subscriptions paid on	£6,612	19.8%
Youth programme expenses	£16,526	49.5%
Programme support expenses	£7,415	22.2%
Miscellaneous expenses	£2,815	8.4%
Total	£33,368	100.0%

Gift Aid continues to make a significant contribution to the Group's income. The reclaim in 2025/26 in respect of subscriptions received in the previous year represented approximately 94% of the theoretical maximum we could have claimed.

Details of the Group's receipts and payments, and assets and liabilities are reported on pages 14 and 15.

Financial controls

The Group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all bank payments and insurance policies to ensure insurable risks are covered.

Reserves policy

The Group's policy on reserves is to hold sufficient cash funds and monetary assets to continue the charitable activities of the Group should income and fundraising activities fall short. The Trustee Board considers that the Group should hold a sum equivalent to 12 months' running costs, circa £10,000.

Investment policy

The Group's income and expenditure is relatively small and consequently it does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low-risk strategy for the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

The Group Trustees regularly monitor the levels of bank balances and the interest rates available to ensure the Group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn. Before doing so the Trustee Board considers the Group's cash flow requirements.

APPROVAL

This report was approved by the Trustees on 17 June 2026.

Signed on behalf of the Trustees by

Michael Roome
Group Chair

GROUP LEAD VOLUNTEERS' REPORT

Meetings, meetings, meetings...

2nd Upminster continues to thrive, offering Scouting to boys and girls between the ages of four and 14. In addition to our usual weekly meetings in the Church Halls, we continue to organise diverse and valuable Section outings and camps, and participate in District events.

Programme

Our programme is based around weekly section meetings delivered in the Church halls supplemented by camps and outdoor activities and opportunities to join with other local Scout Groups in larger events organised by the local Scout District and County. We offer activities, badges and nights away opportunities designed to develop skills for life for our young people delivered by our amazing team of volunteers.

Membership

The Group continues to attract applications from more young people than can be accommodated by the existing leadership team and the existing sections. Actual membership numbers change frequently as members join, move between sections and leave, but the numbers reported in our annual census provide a useful insight:

Youth membership	January 2026	January 2025
Squirrels	17	20
Beavers	35	43
Cubs	36	44
Scouts	26	29
Total youth members	114	136

The names and details of our adult members are shown in the Volunteers section of this report. We have not shown statistics here because the move to teams-based volunteering has made year on year misleading. Our adult volunteers are assisted by members of the Young Leaders Scheme (young people aged 14-18, typically from Explorer Scout units) who contribute to the delivery of their section's programme.

Volunteering

Scouting at 2nd Upminster is made possible by the teamwork of our leaders and helpers who are all parents of current or past youth members or who were themselves members in their childhood. We rely on new parents joining this team effort to ensure our continued success and as a result we give priority to applications with an adult family member who can help.

Mike Roome & David Rogers
(Acting Group Lead Volunteers)

VOLUNTEERS

Organisation

Our adult volunteers are organized into three main types of teams: Section Teams, the Group Leadership Team, and the Group Trustee Board.

Group Trustee Board

This Trustees provides the legal and financial framework for the Scout Group, ensuring it complies with charity law and operates in accordance with the Policy Organization and Rules of The Scout Association. The members of the Board are shown on page 2.

Group Leadership Team

This Group Leadership Team supports all volunteers within the group in the delivery of safe and exciting Scouting by coordinating activities, planning programs, and ensuring continuity and development. This team includes the Group Lead Volunteer, a lead volunteer from each section and other volunteers overseeing group-wide responsibilities such as volunteer development, membership subscriptions and the maintenance and availability of Scouting equipment. The current members of this team are:

Section team leaders

Bex Cox
Michelle Cutter
James Jaques

Section team leaders

Olly Clark
Lee Sambrook

Others

Debbie Carter
Marie Sugrue
Lee Owen
Louise Horsley

Others

Mike Roome
David Rogers
Julia Rogers
Sukh Nahr

Section Teams

The members of our Section Teams (we have one for each section) are responsible for planning, delivering, and running the youth program within their own section. This includes managing the day-to-day operations of the section, ensuring safety, and helping young people achieve Top Awards and other badges. They also support young people in developing new skills and finding their place in the world.

SCOUTING REPORTS

2nd Upminster (St Laurence)

The Group

Most membership applications received are for the Squirrels and Beavers age ranges (i.e. under 8 years old) and we continue to receive more applications than we can accommodate with our existing volunteers and sections so we maintain a waiting list for these younger applicants.

Overall, our membership numbers are about 15% down on last year and this is very much in line with the experience of other Scout Groups in the local Hornchurch District. Membership numbers in individual sections change frequently as members join, move between the sections and leave, so detailed comparisons between years can be misleading.

At Easter 2026, we took the difficult decision to suspend Derham Cubs because we could not find sufficient volunteers to allow us to be sure of providing a regular well-resourced programme for the members. Due to the age profile of the section, we were able to transfer most of the young people into the Eagle Troop, but a few were accommodated elsewhere in the Group. We hope to restart the section in the not-too-distant future as existing Beavers mature into the Cubs age range.

Squirrels

Squirrels Report

Over the past year, our Squirrel Drey have enjoyed another fun-filled and adventurous programme, packed with opportunities to build confidence, teamwork and new skills whilst making lots of happy memories together.

We challenged the Squirrels' adventurous side with numerous visits to Thriftwood, where they tackled the Assault Course, zoomed down the Cresta Run and enjoyed the excitement of the Water Roller. The children also took on the challenge of Rock Climbing at Rock Up, showing great determination and bravery as they pushed themselves to try something new. During the summer, we enjoyed a fantastic trip to the 'beach' at Stubbers, where the Squirrels had great fun playing together and a particular highlight this year was hosting our Teddy Bear's Picnic, which brought plenty of smiles, games and laughter for both children and their cuddly friends!

We continued to work on learning new skills including First Aid, cooking and fire lighting! We have also had the pleasure of welcoming in external guests from the Wonderdome where we learnt about all things space as well as some furry visitors for an animal encounter! Following the success of last year, we hosted another brilliant film night, giving the Squirrels the chance to relax together, strengthen friendships and enjoy a special evening as a group. We celebrated Christmas this year with a wonderful trip to the pantomime alongside the Beavers and Cubs — a festive outing full of laughter and excitement.

Throughout the year, the Squirrels worked incredibly hard towards their badges and achievements, and we were especially proud to award 14 Chief Scout Acorn Awards, recognising the children's enthusiasm, commitment and personal growth.

It has been a busy, exciting and rewarding year for our Drey, and we are incredibly proud of everything our Squirrels have achieved.

Gridiron Beavers Report

This year has certainly been another exciting and adventurous one for Gridiron Beavers. Over the past 12 months, our Beavers have embraced every opportunity to try new things, challenge themselves and make lasting memories together.

We were lucky enough to enjoy several fantastic visits this year, including trips to Havering Music School and Wennington Fire Station, as well as welcoming Essex Therapy Dogs to meet the colony. These experiences gave the Beavers opportunities to learn new skills, meet inspiring people and explore the world around them in fun and engaging ways.

Adventure has continued to play a huge part in our programme. The Beavers took part in exciting activities including Kayaking and the Water Roller at Thriftwood and Tubing at Brentwood Ski Centre, with many of them showing incredible bravery and determination while trying something completely new. A real highlight of the year was hosting our very first fundraiser event at Ladyville Lodge Care Home and thanks to the hard work and enthusiasm of the Beavers (and their families), we raised enough money for the colony to enjoy an unforgettable zip lining experience together.

Alongside all the fun and adventure, the Beavers have also learnt many valuable life skills. They have completed sessions on Emergency First Aid, healthy living, fire lighting, money skills & road safety, helping them grow in confidence and independence throughout the year.

It has been wonderful to see how much every Beaver has achieved this year and we are proud that over 400 badges have been earned across the colony, recognising the hard work, resilience and enthusiasm shown by all. We were also incredibly proud to award 15 Chief Scout Bronze Awards — a fantastic achievement and a reflection of the commitment and effort shown by our Beavers throughout the year.

Holden Beavers Report

The year has been a highly positive one for 2nd Upminster Holden Beaver Scout Colony, with significant growth in both our young people and leadership team.

Following the migration of a number of our older Beavers into Cubs, we have successfully welcomed new members into the Colony and have seen encouraging growth in recent weeks. It has been wonderful to see new faces joining the section and becoming involved in the wide range of activities on offer.

One of the most significant developments this year has been the strengthening of our leadership team. For much of last year, the Colony was delivered by just two regular leaders. We are therefore delighted to have welcomed several new volunteers, including two Young Leaders who joined as part of their Silver Duke of Edinburgh's Award volunteering programme. Their enthusiasm and commitment have been invaluable, and we now have a regular leadership team of six adults and young leaders supporting the Colony. This increased capacity has enabled us to deliver an even broader and more engaging programme for our Beavers.

Throughout the year, our Beavers have worked hard towards a variety of badges and awards, demonstrating enthusiasm, resilience and a willingness to try new things. Many badges have been awarded following participation in a number of exciting activities and visits, including trips to Thriftwood, Tag Active, Stubbers Activity Centre, the RAF Heritage Museum and of course the coveted Beaver Sleepover. We have also continued to strengthen our connection with the local church through regular involvement and participation in church events and parades.

Collaboration across the wider 2nd Upminster Scouting Group has also been a highlight of the year. By working alongside other sections, we have been able to provide experiences that would not otherwise have been possible. Memorable activities have included an immersive visit from a space dome and an exciting birds of prey experience — although thankfully not at the same time!

Overall, the year so far has been one of growth, development and opportunity. The increased number of volunteers, the expansion of the Colony, and the variety of activities on offer have all contributed to a successful and enjoyable programme for our Beavers. We look forward to building on this momentum during the rest of this year and continuing to provide adventurous, fun and inspiring experiences for all our young people.

Looking back, the Beavers have shown real enthusiasm, dedication, and have developed lots of valuable skills. It's been a rewarding year full of fun, learning, and growth, and we're excited about what the next year holds!

Tampa Bay Cubs Report

There have been numerous highlights for Tampa Cubs over the last twelve months. We've engaged with the local community; enjoying informative visits to the fire station in Wennington, local community projects such as litter picking in the local neighbourhood and stargazing with the planetarium coming to the hall.

We've enjoyed visits to Thriftwood for adventure evenings and our annual special evening with Dads for Father's Day. We have been laser tag and kayaking at Stubbers. Several Tampa Cubs attended fun-filled District events and are looking forward to the annual District Camp at Skreens. It was great to bring the Cub pack together for an overnight stay at Sleepover at Thriftwood as well.

We've tried new activities, including ice hockey in the hall and had a great night at the panto. We have also been to the Tag active and had the Bee people in, have had feathered visitors stopping by at the hall and many chaotic nights of cubs cooking from scratch, pancake night is always a favourite. But Welsh cakes need some tweaking.

Throughout the year we've worked towards numerous badges, and it was pleasing to see our older cubs all deservedly get their Silver Awards.

Derham Cubs Report

The Derham Cub pack have had a year of mixed fortunes, following the departure of leaders Michelle and Nicola in the Summer we were still able to deliver a varied program over the first two terms.

There were many highlights of the year including a Nutrition & PT session with Anytime Fitness, a talk by a Police Dispatcher, making Haggis Neeps and Tatties for Burns night, a Winter Olympics evening with some very silly games, a hike from Thames Chase back to the Hall, Crate Stack and Axe throwing at Thriftwood, and Indoor Climbing and Caving at Stubbers.

We had a strong focus on badgework over the Autumn term resulting in two of the older cubs completing their Chief Scout Silver award, which is the highest award you can earn as a cub.

The group started to decrease in numbers with cubs going up to Scouts but not the same number coming through from Beavers. With a shortage of leaders, we had to work with the group lead volunteers and the leadership team on what to do next. Analysis of the age profile showed the group had mainly older cubs, most of which were due to start scouts in the next 3-6 months. At the end of the Spring term, we took the decision to wind up the pack and transfer the majority of cubs into Eagle Scouts. This has kept most of the group together and safeguarded the future of Eagle Scouts for the time being.

Carter Scouts Report

Carter Scouts now has 24 members and has enjoyed another fantastic year of adventure. The highlight of the programme was undoubtedly the Sleep Out for the Homeless, which saw 13 scouts brave a cold, damp October night sleeping not under canvas, but on the church car park tarmac in shelters they built themselves from cardboard boxes. With a leaders' soup kitchen on hand to keep spirits and energy up, the scouts showed real grit to see the night through. Their efforts raised an incredible £1,263.70 in sponsorship, donated to Friends of Essex and London Homeless, who were hugely grateful for the support.

Staying with the camping theme, the scouts recently completed a Father's Day Camp, sleeping under the stars in hammocks, taking on the assault course, and canoeing alongside their dads. They even put their pioneering skills to the test, building a camp gate entirely unaided — a brilliant achievement.

Congratulations to five scouts who have received their Chief Scout's Gold Award: Luke Fisher, James Agar, Luke Beagle, Maximillian Armitage, and Joshua Jaques. Well done to all of you!

Looking ahead, there's big change on the horizon for Carter Scouts, as two longstanding figures step down from their leadership roles. Sarah and Louise have been the driving force behind the group's challenging and adventurous programme for the past 7–8 years, delivering memorable highlights including team-building challenges, survivor camps, and Traitors-themed adventures.

Their departure leaves a significant gap in our leadership team, and we'll need some brave volunteers to step forward and take up the challenge. While we're working hard to fill the roles Sarah and Louise leave behind, we're always looking for more helping hands — so if you're reading this and aren't yet a leader, please do consider getting involved. Finally, we'd like to take a moment to say a huge thank you to Sarah and Louise for everything they've done for Carter Scouts. Their impact has been truly inspirational, and they'll be greatly missed.

Eagle Scouts Report

The Eagle Scout Troop has enjoyed another busy and successful year, providing a varied programme of adventure, skills, teamwork and personal development for our young people.

A significant milestone this year has been welcoming six new Scouts moving up from Derham Cubs. Their arrival has increased the size of the troop and brought fresh enthusiasm and energy to our meetings. The growth of the section has allowed us to develop our programme further, with larger team activities, patrol competitions and opportunities for Scouts to take on leadership roles within the troop.

Throughout the year, Scouts have taken part in a wide range of activities designed to challenge them and develop new skills. These have included abseiling, backwoods cooking, navigation and tracking exercises, cycling activities, campfire cooking, wide games and outdoor adventure evenings. Scouts have learned practical skills such as fire lighting, outdoor cooking, map reading and teamwork while having fun and building confidence.

Many Scouts have worked towards badges and challenge awards, demonstrating commitment and perseverance throughout the year. We have seen young people develop their leadership abilities, support newer members and grow in confidence as they take on new experiences.

One particularly enjoyable evening saw Scouts split into groups for abseiling and backwoods cooking, where they prepared meals over open fires, cooked sweet treats and finished the evening with traditional campfire s'mores. Activities such as these continue to develop resilience, teamwork and independence while creating lasting memories.

The troop remains strong, active and enthusiastic, and with our increased membership we are looking forward to offering even more exciting opportunities in the coming year. We are proud of the progress all our Scouts have made and look forward to seeing them continue to grow and succeed in the adventures ahead.

INDEPENDENT EXAMINER'S REPORT

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF 2ND UPMINSTER (ST. LAURENCE) SCOUT GROUP

I report to the trustees on my examination of the accounts of the 2nd Upminster (St. Laurence) Scout Group for the year ended 31 March 2026.

Responsibilities and basis of report

As the charity trustees of the 2nd Upminster (St. Laurence) Scout Group you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the 2nd Upminster (St. Laurence) Scout Group accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the 2nd Upminster (St. Laurence) Scout Group as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
